If you decide at any time that you would feel safer beginning or returning to telehealth services, Expressive Therapy Center (ETC) will respect that decision.

Your Responsibility to Minimize Your Exposure

You understand that by coming to the office, you are assuming the risk of exposure to the coronavirus (or other public health risk). This risk may increase if you travel by public transportation, cab, or ridesharing service.

To obtain services in-person, you agree to take certain precautions which will help keep everyone (you, other families, other campers and ETC staff) safer from exposure and sickness.If you do not adhere to these safeguards, it may result in starting/returning to a telehealth arrangement.

- All campers and clinicians are required to wear masks when inside the building.
- You will only attend the summer camp if you are symptom free.
- You will be asked to have your temperature checked upon arrival at the center. If it is elevated (100Fahrenheit or more), or if you have other symptoms of the coronavirus, you agree to return home and proceed using telehealth.
- If a resident of your home or workplace tests positive for the infection, you will immediately let the center know and your camper will be switched to telehealth.
- You will wait in your car or outside until the time for check-in begins in order to maintain social distancing protocol. An ETC administrator will guide each camper to their designated camp area.
- You will wash your hands or use alcohol-based hand sanitizer when you enter the building.
- You will adhere to the safe distancing precautions (6 ft) we have set in the designated camp areas.
- If you are bringing your child, you will make sure that your child follows all of these sanitation and distancing protocols.
